BLUFFDALE TIMES

MAYOR'S MESSAGE

It is that time of year to celebrate the warm weather, to be with our friends and family and to be a part of our city's annual traditions. Despite our budget con-

straints, we have found ways to move forward with most of our events because of the generous donations of sponsors. I hope you received the postcard in the mail about three events coming up.

One of our city traditions is our Badlands 5K/10K run. Our run has had various courses and has usually been held in August.

This year, we are excited to host the Badlands run on Saturday, July 15th. The 10K starts at 7:30 AM and the 5K begins at 7:45. The medals and t-shirts for all participants have been ordered and they look amazing. There is not a day-of registration so please sign

up before July 14th. If you are not a runner (or walker), please come and support the Summit Academy High School track team and their fundraiser breakfast that morning. They are in desperate need of a track, and this is their kick-off to start raising funds.

Another tradition is our rodeo. Did you know that before our rodeo grounds were at the Bluffdale City Park, they were in the river bottoms where the Jordan Narrows trailhead is now located? Our rodeo is a part of our history. I am thrilled that the rodeo committee is moving forward with the rodeo on July 28th and 29th this year. Hurry and purchase your tickets because it sells out every year! There will be food trucks, music, mutton bustin', the cash cow, and vendors.

Our city celebration will look a little different this year because of budget constraints, but we have had a team of residents working hard on our event. On Saturday, August 12th our city celebration will begin with the parade in the Independence neighborhood. If you know of anyone that

would like to be in the parade, there are still some openings! After the parade, the newly finished Day Ranch Park will be opened, and the activities will begin. I am looking forward to the children's market, the bike shows, the butterfly releases, food, scavenger hunt and much more. Later that evening, we will have a movie and end the celebration with a spectacular firework show.

The Day Ranch Park will also have new pickleball courts and the celebration will include a 2-day pickleball tournament. Quickly sign up for the tournament for awesome swag and unique medals! This is a non-sanctioned event with a round robin format, the score will go to 11 (win by 2). Each team is guaranteed seven games if divisions are full. The top 4 will move onto bracket play.

Thank you to everyone who has worked together to move these special events forward and I hope to see you all there! Please reach out with any questions to nhall@bluffdale.com

ALL WEST COMMUNICATIONS

Bluffdale, Utah is about to experience a technological leap with the introduction of multi-gig fiber optic internet. Spearheaded by All West Communications, this advancement will revolutionize high-speed internet, voice service and streaming TV for Bluffdale residents and businesses. Bluffdale joins an ever-growing list of communities in the Wasatch Front region that will reap the benefits of wide-spread fiber optic connectivity throughout the entire city.

To celebrate, the community is invited to a groundbreaking event on Wednesday, August 2 at 4 pm. The event will take place at Bluffdale City Park.

All West Communications has been welcomed by Bluffdale's city leaders to provide Fiber-to-the-Home (FTTH) access. "Our company's ultimate goal is to utilize our fiber optic technology to not only improve people's everyday lives but also contribute to the economic development of the community," stated Matt Weller, President of All West Communications.

Bluffdale Mayor, Natalie Hall, expressed excitement, "Bluffdale has looked for many years at bringing fiber optic internet to our city. We are thrilled to be able to partner with All West Communications in this endeavor. Now, every resident and business will have the option and opportunity to have access to faster and more reliable internet. Fiber will not only increase faster upload and download speeds, it is more energy-efficient and will help to also move forward our economic development."

The FTTH project is scheduled to begin this summer with completion slated for late 2024.

THE POINT UPDATE

U.S. News and World Report just named Utah the #1 State in the country. Utah has a strong economy, well-maintained infrastructure, and thriving communities. As Utah's Innovation Community, The Point will include all of these signature elements that make Utah a great place to live, work, and play.

"We really want this to be a showpiece for Utah. A place where people want to take their families, want to spend a day, but also a place where people are doing business, driving commerce," said Utah Governor Spencer Cox. "This really has an opportunity to be a vibrant heart of entertainment, of higher learning, and of recreation."

The Point will advance cutting-edge innovation that leverages Utah's entrepreneurial spirit and enhances Utahns' quality of life. Utah's Innovation Community will foster collaborative partnerships that bring together academics, policy experts, and business leaders to facilitate the exchange of new ideas and address some of Utah's most unique and complex challenges.

SALT LAKE COUNTY ANIMAL SERVICES

More pets go missing in the summer months than any other time of year. Take note of which events could increase the probability of your dog getting out.

Barbecues: If guests are going to be coming in and out of the front door or back gate, keep your pets in a secure area or put them in their crate. An unsecured gate or open door is the perfect opportunity for your pet to take themselves on an adventure without you.

Thunderstorms: According to the ASPCA, 1 in 5 pets goes missing after being scared by loud noises. Be sure to bring your pet indoors and keep them away from open windows when summer storms roll into your area. It can also be helpful to give them their favorite toy or an easily digested chew to help them alleviate stress from anxiety-causing noises.

Fireworks: The loud noise of firework displays, big or small, are scary and disorienting to pets. Leave them at home and inside with a loud fan or calming music. If the fireworks display is in your driveway, be sure to clean up the leftover firework debris. Never underestimate what your dog may stick in its mouth. Fireworks are poisonous to pets.

All pets in Salt Lake County can receive a free microchip at Salt Lake County Animal Services, pet licensing may be required depending on your city. Email animal@slco.org or come to Animal Services at 511 W 3900 S, Tue – Fri, 10-6 to get your pet microchipped.

Found a lost pet? Contact your local animal control! The first-place pet owners look for a lost pet is the local shelter. How you can help: post a photo of them where you found them and what shelter they went to on the NextDoor App or Utah Lost & Found Pets Facebook Group. All pets at Salt Lake County Animal Services can be seen online at AdoptUtahPets.org.

ENGINEERING DEPARTMENT UPDATES

South Valley Sewer District (SVSD) needs to upsize the sewer mains in 14400 S between 2200 W and 3600 W. During this project, the City will be taking the opportunity to replace old drinking waterlines, install pressurized irrigation lines where there are none, and add additional stormwater pipes. Partnering with SVSD will provide cost savings for both agencies. The project will be bid in Fall 2023 with an 18-month construction beginning soon after. We ask for your patience during construction as some road closures will be necessary. All detours will be clearly marked and as much notice as possible will be given. Local traffic will be allowed at all times. We will provide more details as construction approaches and a contractor is selected. We thank you for your patience as we work hard to make Bluffdale a great place to live.

B BLUFFDALE CELEBRATION

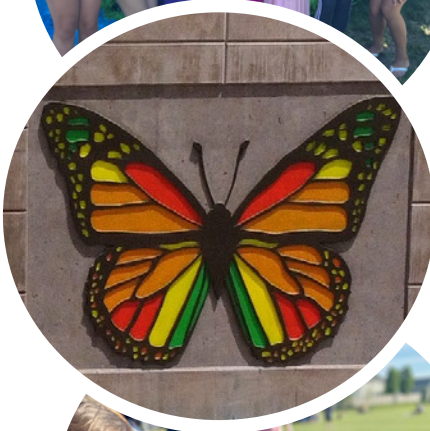

DAY RANCH PARK GRAND OPENING

PARADE: Get ready to celebrate as Bluffdale's community parade, led by our esteemed Grand Marshalls Lori and Johnny Loumis, takes center stage! Starting at 9 am, the parade kicks off at Summit Academy Independence and winds its way along Noell Nelson to Harmon Day Drive, culminating in an unforgettable finale at the brand new Day Ranch Park. There are still some spots available, register at bluffdale.com/parade

RIBBON CUTTING CEREMONY: Join the community for the ribbon-cutting ceremony at 10:30 am, marking the grand opening of the new park. Be among the early attendees to receive a free flying disc (while supplies last). Don't miss the chance to leave your mark on history by signing the picture of the park, commemorating this special occasion.

CHILDREN'S MARKET: Ran entirely by young entrepreneurs ages 5-16! If you have an entrepreneur that wants to sell their products, you can register at www.childrensentrepreneurmarket.com starting July 1. Booths space is limited and anticipated to fill quickly.

BINGO: The Bluffdale Rodeo Royalty is proud to present a heart-pounding Bingo extravaganza in the main pavilion. Win one of the many prizes donated by local businesses.

SKATE PARK: Bluffdale is about to witness skateboarding history! Come see the pros lane tricks at noon. Show off your own incredible skateboard skills for a chance to win epic prizes, with competitions kicking off at 2:30 pm. Don't forget to bring your board and make the most of the open space, as you carve, flip, and grind to your heart's content throughout the entire day.

BMX SHOW: The moment you've been waiting for has arrived as the pump track and jumps are flung open to residents, be sure to bring your bikes and scooters so you can test it out. Prepare to be awestruck as BMX bike pros take center stage, unleashing mind-blowing tricks and jaw-dropping stunts in a series of awe-inspiring shows.

PICKLEBALL TOURNAMENT: For just \$30 per team, you and your partner can compete on the brand new Day Ranch Pickleball Courts. Brace yourself for the ultimate showdown as the mixed doubles, men's, and women's divisions come alive with lightning-fast action.

BUTTERFLY GARDEN: Get ready for a day of enchantment at the butterfly garden! Be one of the lucky first 200 to receive beautiful wings for a magical transformation. Free face painting and butterfly craft, butterfly tent experience, and a breathtaking butterfly release.

YOGA IN THE PARK: Immerse yourself in the blissful serenity of yoga in the park! Join KIDS-Harmony Yoga and VIBE Yoga Studio for rejuvenating sessions throughout the day. Don't forget to bring your towel or mat for a comfortable practice.

FOOD TRUCKS: Get ready for a food lover's paradise! A wide array of mouth-watering options from some amazing food trucks available during the day and the movie. Watch for updates!

MOVIE IN THE PARK & FIREWORKS: Get ready for an explosive evening! Catch the movie "Rise of Gru" at 8:15 in the Mountain Point Elementary field, and grab some delicious concessions to support the Bluffdale Youth Council. Then at 10 pm a dazzling display of fireworks will illuminate the night sky for 20-25 minutes.

COMMUNITY UPDATES

BOYD HYRUM MOUSLEY

Boyd Hyrum Mousley, a life-long resident of Bluffdale, will be celebrating his 90th birthday on July 31st. In ninety years, Boyd has touched many

lives as a husband, father, grandfather, great grandfather, veteran (U.S. Airforce), educator,

bishop, mentor and friend to all those he has met. Memories and best wishes can be shared with Boyd at boyd90bday@gmail.com.

SUMMIT ACADEMY INDEPENDENCE

It's been a month since teachers and students danced away the last hours of the school year at the Summit Academy Independence Dance Festival. Students busted out their best moves to a range of classic dance tracks, and this year the teachers and administration made it known when they took the floor that they just "wanna dance with somebody." This tradition helps everyone end the year with a smile. We were proud of our students for their effort this year toward meeting their academic goals. They gave it their all during their end-of-year assessments, and we are grateful to their parents for their support and encouragement during that important week. We recently saw many students and families come out to Bluffdale's Love Where You Live event, and we are proud of the way they represent our school as they engage with and support the community. Finally, while many of us are off to the next party, festival, or summer trip, a faithful crew remains

hard at work inside the doors of the school. With an arduous list of rooms to paint, supplies to stock, and floors to clean, we are very grateful for all of our staff working through the summer to get us ready for a great start to the school year when we will have six teaching interns from Germany join us during September and October.

MOUNTAIN POINT ELEMENTARY

As we move closer to the beginning of the new school year, Mountain Point Elementary will embrace the theme of "Let's Grow Together". Our school prioritizes individual growth, and growth as a community.

We know that students continue their growth over the summer and are excited to see this when school begins again. Mountain Point Elementary works to make sure that every person feels valued and empowered to grow.

We understand that a strong school community is vital for academic achievement, emotional well-being, and social development. As the new school year begins, Mountain Point Elementary remains dedicated to nurturing student growth and a community where everyone can flourish together.
