# BLUFFDALE TIMES

## MAYOR'S MESSAGE

The February newsletter will help you plan your 2024! We are looking forward to events, recreation, plays, art shows,

emergency planning classes, garden events, council and commission meetings and our annual City Celebration, Old West Days®! It is my hope that you will keep this newsletter for reference throughout the year.

One of my favorite events of the year is the Bluffdale City Rodeo. This event has drawn participants and spectators from all around the region and outside the state every year. The rodeo is a tradition I want to carry on for many years to come. Almost 20 years ago, the city had an equestrian arena in the Jordan Narrows area. The Council wanted this arena to be more centrally located and available as a community arena, so it was moved to the current location as part of the main City Park. Along with the arena came old wooden bleachers that were already old and needed repair. So many volunteer hours have

been spent over the years repairing and repainting these bleachers for events. The Council has long been concerned about the safety and the accessibility of seating for events and have hoped to make improvements and enhance the arena area of the park. After years of planning and looking for funding, I am thrilled to announce that we have been awarded grant money to finally make improvements and enhance the area around the arena!

The Salt Lake County Tourism, Recreation, Culture and Convention (TRCC) Advisory Board forwarded a recommendation to Salt Lake County Council to award \$2,766,960 for the Bluffdale Equestrian Park improvements. SLCO Council unanimously approved the budget in December, including the recommendations from the TRCC Advisory Board.

There are many improvements that are needed for the arena area and these improvements may have to be completed in phases. This funding is a great start to updating the following:

- All Spectator seating will be located on the west side.

- Safer bleacher system with stairs, rails, and other safety features.
- ADA accessible seating with companion seats.
- Established asphalt parking lot with ADA parking stalls.
- Concrete plaza for safe entrances and ADA access to bleachers.
- Utility and lighting upgrades.
- Separate and enhance the perimeter trails within the arena facility.
- Safer access and management for events.
- Permanent combined restroom, ticketing, and concession building.

Construction on the arena area will begin early spring 2024. The unofficial use of the arena area for dropping off or picking up students attending Bluffdale Elementary near the school will be eliminated. Plans are being made to keep the existing trail on the south side of the arena for walking to the school, but cars will not be allowed in the arena area and will need to use the parking areas within the city park to utilize the trail system. Every effort will be made

to keep the use of the arena open as much as possible during the construction, but we appreciate your patience and consideration during construction times. We will do our best to communicate with our clubs and residents when the area will be unavailable during the construction process.

This is a huge project with a lot of new elements (including new utilities), and we will not have the improvements finished by July or August for our Rodeo or Old West Days®. I have met with the Bluffdale Rodeo Committee to look at our options for 2024. The rodeo committee has recommended that we postpone the rodeo and other arena events until the facilities are completed. I agree with their suggestion. Please reach out to me at [nhall@bluffdale.com](mailto:nhall@bluffdale.com) to volunteer for our 2024 events. We will need everyone's help. Let's work together to make this a wonderful year!

## START OFF ON THE RIGHT PAW

Owning a pet comes with a few yearly responsibilities that deserve a quick check at the beginning of the year before you get busy, and it slips your mind. Salt Lake County Animal Services recommends the following three tasks:

**VACCINATE:** Pet illnesses and diseases are preventable, make sure your pet is up to date on vaccines and rabies. Call to schedule an appointment with your regular veterinarian.

**MICROCHIP:** Any pet living in Salt Lake County can receive a FREE microchip! Microchipping is a crucial step in reuniting lost pets with their owners quickly. Ensure that your pet's microchip has current and accurate contact information. This

# Get Your Pet Ready for a New Year

**VACCINATE. MICROCHIP. LICENSE.**

simple act can make a significant difference in the event that your pet goes missing.

**LICENSE:** Utah state law requires all dog owners to license their pup by the time they are five months of age or within 30 days of moving into an area (or acquiring the pet.) Find out more about licensing at [AdoptUtahPets.org](http://AdoptUtahPets.org).

Questions? Email [animal@slco.org](mailto:animal@slco.org).

Or come in, no appointment needed, 511 W 3900 S, SLC, Tue-Sat from 10 AM – 6 PM.

[AdoptUtahPets.org](http://AdoptUtahPets.org)

# CITY ACTIVITIES

Bluffdale City has many traditions celebrated throughout the year. 2024 will be full of activities and events for everyone! We partner with many groups within the City to provide a variety of events. Dates are subject to change. As we finalize details, more events may be added. Up to date information is available at [www.bluffdale.com/Events](http://www.bluffdale.com/Events).

## COMMUNITY UPDATES

### NORTH STAR ACADEMY

North Star Academy is currently registering their current students for the 2024-2025 school year, and have opened registration for the 2024-2025 lottery on our website here to fill any vacancies. Interested families with students entering grades K-9 are invited to apply. North Star offers both full and half day kindergarten. Our annual Open House for tours and additional information is being held January 25, 2024 6:30-8 pm, but we welcome questions at 801-302-9679 and invite you to learn more about the Schoolwide Enrichment Model on our website here. This month our talented artists have projects on display at the Bluffdale City Hall Building and we encourage Bluffdale residents to stop by and celebrate the arts.

### MOUNTAIN POINT ELEMENTARY

Jordan School District has converted Friday, Feb. 9, into a Health & Wellness Day for employees, students, and families.

Jordan School District is providing families with information and activities for students of all ages to help them focus on their own health and wellness. The resources are available below so you can make choices about what would be most helpful and appropriate for members of your family.

Students do not need to submit their work from the Health & Wellness Day. There will be no school meals, busing, or access to teachers on Friday, February 9, 2024.

We take seriously our role as a support to the learning that happens within the family. We hope you will find these resources helpful in promoting greater health and wellness in our community.

### SUMMIT ACADEMY INDEPENDENCE

One of our core values at Summit Academy Independence encourages students to “Brighten the World”, to do those types of acts that make a positive impact on the world around them. It may be hard for some students to imagine how that impact extends beyond the walls of the school, but a visit this past month from the Peruvian Consul was an example of how far-reaching our influence can be. Interested in our school and having heard positive things about our German DLI program, the Consul brought a small group to tour the campus and see it firsthand.

It is always an honor to host visitors and share what makes the Independence campus special, and that was the mission of our Literacy Night in January. The public was invited to join us in fun literary activities like storybook readings, a scavenger hunt, and a book exchange. Local authors Jeremy Stucki, Meg Rabi, and S J Childs were special guests that evening, and took the time to share writing tips and answer questions.

### SUMMIT ACADEMY HIGH SCHOOL

“Summit Academy High School excites a student’s desire to learn and succeed now and in the future. Our dynamic student-teacher-family community sees each student as a whole person and together creates a challenging individualized educational journey toward intellectual success and personal well-being.”

Summit Academy High School is a tuition-free public charter high school located in Bluffdale, UT.

We are currently enrolling students for the 2023-2024 school year! Open

houses will be held on March 13th from 5:30 PM - 7:00 PM and on May 4th and July 30th from 9:30 AM - 11:00 AM. Visit our school, get a tour, and learn why SAHS is a great fit for your student!

Quick shout-out to HOPE Squad and all they do to support our students. HOPE Week is February 5th - February 9th and they have planned all kinds of activities to bring a little bit of “hope” into everyone’s life. Thank you for all you do!

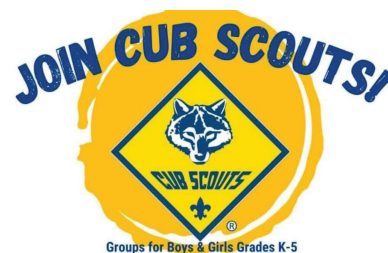

Come support our students at our final Home Basketball Game of the season at SAHS on February 7th at 7:00 PM.

Looking forward to seeing you there! Go Bears!

### JOIN ADVENTURE CUB SCOUTS & SCOUTS BSA

Calling all youth to embark on an exciting journey with Scouts. Discover the thrill of the great outdoors, Explore nature while camping under the stars, hike scenic trails and learn essential survival skills. STEM adventures, dive into the wonders of Science, Technology, Engineering and Math with hands on experiments that ignite curiosity. Scouting is not just about earning badges – its about fostering lifelong skills, leadership, and friendships. Scout ages are 5-18 both boys and girls are invited to join.

For more information contact [nita.orgill@scouting.org](mailto:nita.orgill@scouting.org) or [www.beascout.org](http://www.beascout.org) to find a scout group near you.

## 14400 SOUTH CONSTRUCTION PROJECT

Bluffdale City and South Valley Sewer District (SVSD) are reconstructing the utilities and roadway on 14400 South in Bluffdale from 2200 West to 3600 West.

This project will:

- Replace a drinking waterline from 2200 W. to 3200 W.
- Install new pressurized irrigation waterlines from 2450 W. to 3200 W.
- Upsize the sewer line.
- Install a new storm drain system.
- Install streetlights and replace the aging roadway throughout the project corridor.

Completion is anticipated for Summer 2025.

### Project Update – January 2024

In January, Bluffdale City and South Valley Sewer District (SVSD) began reconstructing the utilities and roadway on 14400 South in Bluffdale from 2200 West to 3600 West.

Phase 1 construction activities began the week of January 15, 2024. Future phases are scheduled to occur over the next year and half. The project is anticipated to be complete Summer 2025.

Phase 1 Work: Utah Lake Distribution Canal Excavation and Drilling

Phase 1 work will include

excavating and drilling under the Utah Lake Distribution Canal at approximately 3000 West.

- During construction, roadway closures, lane restrictions, and on-street parking restrictions can be expected.
- Drivers should anticipate delays on 14400 South while work is underway.
- Phase 1 work is anticipated to take approximately 2 months to complete.
- Please consider alternative routes.

### What to Expect Throughout Construction:

- Work is anticipated to occur Monday – Saturday between 7:00 am and 5:00 pm with possible weekend work.
- Open trenching will be necessary. Please maintain caution while traveling through the area and remain out of the work zones.

- Driveway accesses will be maintained. Residents and businesses will be notified of any temporary access restrictions.
- Temporary relocation of mail and waste management services. Residents and businesses affected will be notified in advance.
- While work is underway, increased noise, dust and vibration may be present.
- Temporary water service or sewer service interruptions are anticipated. Residents and businesses will be notified in advance of any interruptions.

**FOR MORE INFORMATION OR TO SIGN UP FOR UPDATES, PLEASE CONTACT THE PROJECT TEAM:**
