BLUFFDALE TIMES

MAYOR'S MESSAGE

Well, it has finally happened! We had the groundbreaking on June 13, 2024, for our FIRST grocery store! We are

thrilled to have Smith's Food & Drug Stores joining our Bluffdale City, Utah family. We welcome Kroger Co. (NYSE:KR) to our amazing community. They will be located next to Fat Cats off Redwood and Bangerter.

As I was reflecting on what it has taken to get a grocery store here, my team started doing some digging. In June of 1999, when Noell Nelson was Mayor, a redevelopment area was created (where the Smiths will be built). We found a Deseret News article dated May 27, 2003, where Mayor Wayne Mortimer announced a Smiths in our city of 5,400 residents. Smiths ended up building elsewhere. In December of 2015, we reinstated our development agreement with Smiths to build a Marketplace in a council meeting with Mayor Derk Timothy. Smiths ended up building somewhere else. In 2023, Smiths purchased land from Woodbury Corporation and our team has been working with Woodbury.

As you can see, this project took many people to make this happen. Thank you to past and

Groundbreaking ceremony for the new Smith's Grocery Store on June 13, 2024. (Photo Credit Matt Holwick)

present mayors, councils, planning commissions and staff for their work. Thank you to Taylor Woodbury with Woodbury Corporation for coming to the groundbreaking and speaking about their years of vision to "save a spot" for a grocery store.

Kenny Kimball, the President of Smiths, also came to the groundbreaking. He said that this will be Smiths 144th store. There are currently 55 in Utah (when finished this will be the 57th store). The average store size is 60,000 sq ft. This location will be a 103,000 square foot store. They will offer a complete grocery store, including sushi and Starbucks Coffee Cafe, fresh made-to-order salads and sandwiches, hot/cold chicken, fresh seafood, Boar's Head Meats and Murray's Cheese. Additionally, the new store will have a floral department, household goods, drive through pharmacy, online grocery pick up, and on-site Smith's Fuel Center.

The \$30 million Smith's store will

be built by R & O Construction. During the construction, Smith's will require the builder, R & O Construction, to recycle 90% of the project's total non-hazardous waste such as scrap wood, metal, cardboard, concrete brick, and plastic as part of Smith's Zero Hunger | Zero Waste initiative. As part of the company's ongoing effort to moderate energy use, the new store will have the latest energy efficient technologies in overhead lighting and cooling.

This will be store #212. I read a book called "212° The Extra Degree" by Sam Parker and Mac Anderson. The premise of the book is based on the analogy that at 211 degrees, water is very hot. At 212 degrees, it boils, and with boiling water, comes steam, and steam can power a train. This store will power us into the future, bring employment and needed products and services. The grand opening is scheduled for July 2025! We look forward to working together to make this happen.

BLUFFDALE CITY YOUTH COUNCIL NEEDS YOU!

Bluffdale City invites all youth aged 14-18, along with their parents, learn about the Youth Council. This is a fantastic opportunity for teens to get involved in their community, develop leadership skills, and make a difference.

Come meet current Youth Council members and their advisors. This is a great way to understand what the Youth Council does and how it operates. There will be games to

play, offering a fun way to make new friends and connect with peers who share an interest in community service.

Don't miss out on this chance to explore the benefits of being part of the Youth Council. It's a perfect blend of learning, fun, and community spirit.

For more information go to: www.bluffdale.gov/Youth-Council

HEALTHY BLUFFDALE COALITION

Welcome to the Healthy Bluffdale Coalition! Our mission is to create a resilient, healthy community by fostering overall wellness and promoting risk prevention through evidence-based initiatives. In our 2024 Strategic Plan, developed by our dedicated board and committee members, we identified mental health as our top priority. This focus was chosen due to the specific data revealing higher rates of depression and Adverse Childhood Experiences (ACE) scores in Bluffdale compared to Utah averages. These issues highlight the urgent need to strengthen family, school, and community connections, which are critical for improving mental wellbeing.

To address these challenges, we have outlined strategies that include providing educational resources, enhancing access to mental health services, and promoting physical activities that foster connections. Our goal is to increase community involvement, reduce social isolation, and raise awareness about mental

A TURNING POINT

MICHAEL AMBRE
INTERIM EXECUTIVE DIRECTOR

After five transformative years leading The Point, Alan Matheson is stepping down as executive director to accept a position managing

land and water resources at Rio Tinto Kennecott. The Point of the Mountain State Land Authority (Land Authority) has initiated a nationwide search to select an executive director. More information can be found at thepointutah.org/job-opportunities.

On July 15, the Land Authority appointed Michael Ambre as the interim executive director. Ambre currently serves full time as the division director for the Utah Division of Facilities Construction and Management (DFCM). Ambre has worked in various positions at DFCM for over 20 years, overseeing virtually every aspect of the division's work from maintenance to real estate. He has managed some of the most complex projects the State of Utah has ever undertaken, including the new Utah State Correctional Facility and the new north building on Capitol Hill.

The Land Authority has also announced Nick Duerksen as its new Land Development Director. Duerksen brings nearly four decades of public sector experience, most recently from the Utah Transit Authority, where he served as a project manager in the transit-oriented development division. His work included overseeing the design, construction, and management of mixed-use developments across the Wasatch Front, preparing complex development plans, and negotiating high-stakes agreements.

LOST & FOUND PETS: WHERE TO BEGIN

If your pet escapes from your yard, bolts out the front door, or goes missing while you're on vacation, here's where to start looking and posting.

What to do if your pet is lost:

Visit Shelters: Visit your local shelter and surrounding shelters within 24 hours and keep returning. All lost pets that come into Salt Lake County Animal Services are listed at www.adoptutahpets.org. Call Dispatch to report your missing pet at 801-840-4000.

Use social media and flyers: Post your pet's photo on social media platforms like the Next Door App, KSL, and Utah's Lost & Found Pet Facebook page.

Search Actively: Look for your pet during the day and at night. Call for your pet and stay in one place long enough for them to respond. Organize a search party and go door to door with lost pet flyers in the neighborhood where your pet went missing. Place your lost pet flyers on public bulletin boards. **DON'T GIVE UP!**

Steps to take if you find a lost pet:

Report the Pet: Lost pets must be

reported to local animal control within 24 hours. It's the law, and a shelter is the FIRST place most pet owners look for their missing pet.

Take the Pet to a Shelter: If you find the pet in Salt Lake County Animal Services jurisdiction, take it directly to the shelter at 511 W. 3900 S. during business hours (10 AM – 6 PM, Tues-Sat). If it's outside of business hours, call animal control dispatch at 801-840-4000. Salt Lake County Animal Control operates 24/7.

Post Online: Take a picture of the pet and post it on social media (e.g., Facebook, Next Door App, KSL) with details of where you found the animal and that you took it to Salt Lake County Animal Services.

Consider Fostering: Inquire about our Dog & Cat Foster Finder Program.

Prepare yourself before your pet gets lost:

ID Tags and Microchips: Ensure your pets have current ID tags and their microchip information is up to date. All pets in Salt Lake County can receive a free microchip at Salt Lake County Animal Services at 511 W 3900 S. For questions, email animal@slco.org.

BLUFFDALE BUSINESS BUZZ

COMMUNITY UPDATES

A LETTER TO THE EDITOR:

I'm so glad I live in Bluffdale.

I'm Nate, Lead Pastor of The Front Church. We learned our time at Summit Academy HS was coming to an end, and in the search for a new space, discovered incredible people and businesses, doing incredible things.

Do you know about Adaptive Arena and the beautiful space they are curating for those with disabilities and those without, to play together! Have you met Ricky, the down-to-earth mechanic at 218 Auto; after our conversation, I felt like I'd made a new friend. Do you know Dale, who owns Big Sky Paragliding, and has been helping people learn to paraglide for decades. Heard of Serendipity Trading, Bluffdale's own extra virgin olive oil company? That's just one stretch of businesses!

I met Kris at Fat Cats. In a world of

disconnection, it's so refreshing to have a family entertainment venue whose mission is connection. I learned about North Star Academy and their unique, beautiful, and individualized approach to learning for every student. I corresponded with the Principals of both Mountain Point Elementary and Hidden Vally Middle School. They're doing a fantastic job!

We met Samantha and Lance, owners of Aerobatics Circus Center. Ever wonder where acrobatic performers begin to learn their craft?! Well, some of them learn here; their performances are amazing! Next door to Aerobatics is the One Voice Studio, home of the One Voice Children's Choir. Through their truly unbelievable music, they are inspiring the world.

We're thankful to say the One Voice Studio will be our next home

on Sunday mornings, beginning September 8th.

Bluffdale has a lot going on – unique people, doing some beautiful things, in our backyard. I'm so honored to share this city with you.
