

Communication for Youth Council

Information will be sent out mainly in two ways.

Emails - You will receive emails about upcoming events and opportunities by email. If you are not receiving emails please reach out to Kjersti Jarmin to be added to the email list.

Group Me - This is our main interactive form of communication.

Please join the Group me to stay informed about events and meetings. It will also be used for event specific planning.

It is accessible on phones, tablets, computers etc.

It is very important to respond to things in Group Me. It would be ideal if you could be checking into the chat at least a few times a week to see if anything has been posted and to respond.

When you are on an event team you should be checking in daily to that event chat. The group leaders can not effectively plan the event if the team members are not engaging with them.
